MORE THAN A KITCHEN

PRECISION. PERFORMANCE. PERMANENCE.

VERA brings modular 304 stainless-steel engineering into the landscape with a calm architectural presence—made for architects, builders and outdoor-living specialists.

01

304 STAINLESS STEEL

02

TRUE MODULARITY

03

OUTDOOR READY

THE VERA SYSTEM

DURABLE / MODULAR / ARCHITECTURAL

01

304 STAINLESS STEEL

Corrosion-resistant structure for demanding outdoor environments.

02

HONEYCOMB CORE

A5 aluminium honeycomb reinforces doors and cabinet panels.

03

WEATHER-RESISTANT FINISH

Outdoor-grade powder coating protects colour and surface.

04

TRUE MODULARITY

Standard interfaces support flexible layouts and later expansion.

05

SOFT-CLOSE HARDWARE

304 stainless steel hinges and slides deliver controlled movement.

ENGINEERED BEYOND APPEARANCE

The cabinet shell, finished panel, worktop and hardware are designed as one coordinated material system.

01 SIX-SIDED SHELL

Fully welded with no exposed cut edges.

02 6 MM WORKTOP

Stone-embossed solid stainless-steel surface.

03 A5 HONEYCOMB

High-density core adds rigidity and sound damping.

04 SOFT-CLOSE HARDWARE

304 stainless-steel hinge for controlled movement.

05 POWDER-COATED FINISH

Weather-resistant colour protection for outdoor service.

MODULAR ARCHITECTURE

01

TRUE MODULAR SYSTEM

Shared interfaces simplify installation and configuration.

02

COMMERCIAL-GRADE STRUCTURE

Welded 304 stainless steel, A5 honeycomb and a 6 mm solid stainless-steel worktop.

03

USER-CENTRED DETAILS

Service access, discreet lighting and weather-ready finishes.

RAISED PLINTH SYSTEM

01

HYDROPHOBIC ISOLATION

02

FREE HYDRO-DRAINAGE

03

±20 MM CALIBRATION FEET

04

PASSIVE VENTILATION

05

**ACCESSIBLE
UNDERCARRIAGE**

06

SITE-TOLERANCE DESIGN

CONTROLLED AT EVERY JOINT

304 stainless steel hardware combines corrosion resistance, hydraulic soft-close movement, one-hand release and two-stage force control.

304 STAINLESS STEEL

SOFT-CLOSE

QUICK RELEASE

TWO-STAGE FORCE

SAME RETAIL PRICE / BOTH DOOR FRONTS

TWO DOOR FRONTS.

NO PRICE DIFFERENCE

01

VISIBLE PULL / US\$364

External finger-pull edge

02

45° INTEGRATED GRIP / US\$364

Concealed inner bevel

THE SAME CABINET BODY, APPLIANCES AND MODULE SIZES ARE AVAILABLE WITH EITHER FRONT.

AVAILABLE ACROSS ZV1 · ZV3 · ZV5 · ZV7

INTEGRATED 45° GRIP EDGE

The bevel is cut into the inside top edge of each door or drawer front, leaving the outer face flat and the cabinet frame square.

A 45° INNER BEVEL

B CONCEALED GRIP SHADOW

C FLAT, CONTINUOUS FRONT FACE

D 90° CABINET FRAME

INTEGRATED GRIP / ZV1 / RETAIL PRICE

COMPACT LINE

ONE CABINET SYSTEM. A CONCEALED EDGE.

The same VERA cabinet proportions are retained while the door and drawer fronts use the concealed 45° inner bevel.

US\$1,716

REFRIGERATOR INCLUDED

INTEGRATED GRIP / ZV3 / RETAIL PRICE

MID-SIZE LINE

THE SAME EDGE ACROSS COOKING, STORAGE AND WATER.

A representative ZV3 composition shows that the concealed grip can continue across mixed door widths without changing the original module arrangement.

US\$2,260

REFRIGERATOR INCLUDED

INTEGRATED GRIP / ZV7 / RETAIL PRICE

FULL WORKING LINE

ONE CONTINUOUS GRIP HORIZON.

The concealed 45° edge scales from compact groups to the complete VERA working line, while appliances, frames and module proportions remain unchanged.

US\$3,934

REFRIGERATOR INCLUDED

MODULE / ZV-01 / RETAIL PRICE

5-BURNER GRILL MODULE

US\$1,027

A dedicated cooking module with a reversible lower cabinet for a gas cylinder or practical shelf storage.

01 UNIVERSAL MODULAR STRUCTURE

Reversible internal arrangement supports cylinder or shelf use with clear door movement.

02 REAR FINISHING PANEL

Included as standard at no additional charge.

VISIBLE PULL PROFILE

The recessed top-edge pull keeps the stainless-steel front clean and flush.

MODULE / ZV-02 / RETAIL PRICE

US\$545

SINK & PREP STATION

A complete water workstation with a deep sink, tall faucet and service space organised for inspection and maintenance.

SERVICE BAY / REAR PANEL STANDARD / SERVICE ACCESS

01 SEPARATED SERVICES

Dedicated zones keep water, drainage and service lines organised.

02 REAR FINISHING PANEL

Included as standard at no additional charge.

03 SERVICE ACCESS

A clear service bay keeps supply and drainage connections visible and accessible.

MODULE / ZV-03 / RETAIL PRICE

US\$479

REFRIGERATOR INCLUDED

OUTDOOR REFRIGERATION MODULE

Outdoor refrigerator, cabinet and worktop included.

CUBIGEL COMPRESSOR / REAR PANEL STANDARD / SEALED CABLE ROUTE

**01 CUBIGEL COMPRESSOR**

Quiet, reliable refrigeration hardware within a ventilated enclosure.

**02 REAR FINISHING PANEL**

Included as standard at no additional charge.

**03 SEALED CABLE ROUTE**

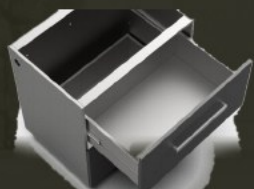

A rubber grommet limits dust and moisture at the cable entry.

MODULE / ZV-04 / RETAIL PRICE

US\$454**DOUBLE DRAWER MODULE**

Extra-deep drawers accommodate bulky outdoor items.

120 L STORAGE / REAR PANEL STANDARD / HEAVY-DUTY SLIDES

**01 EXTRA-LARGE STORAGE**

Deep drawers provide approximately 120 L of storage capacity.

**02 REAR FINISHING PANEL**

Included as standard at no additional charge.

**03 HEAVY-DUTY SLIDES**

Full-extension commercial-grade runners support daily use.

MODULE / ZV-05 / RETAIL PRICE

US\$494**SIDE BURNER MODULE**

Without plumbing, the interior becomes two-tier storage.

FLEXIBLE STORAGE / REAR PANEL STANDARD / VENT + SEAL

**01 SPACE-SAVING DESIGN**

The cabinet remains useful as two-tier storage when services are absent.

**02 REAR FINISHING PANEL**

Included as standard at no additional charge.

**03 TWO-IN-ONE VENTILATION**

The vent opens for gas use and closes for protected storage.

MODULE / ZV-06 / RETAIL PRICE

US\$570

KAMADO GRILL MODULE

Lower compartment accommodates charcoal and grilling fuel.

FUEL STORAGE / REAR PANEL STANDARD / REINFORCED SUPPORT

01 UNIVERSAL FUEL STORAGE

Lower storage keeps charcoal and grilling fuel close at hand.

02 REAR FINISHING PANEL

Included as standard at no additional charge.

03 REINFORCED SUPPORT

Double-layer construction supports the ceramic kamado.

MODULE / ZV-07S / RETAIL PRICE

US\$209

SINGLE-DOOR UTILITY STORAGE

Custom width aligns flush with adjacent modules.

MADE TO ORDER / REAR PANEL STANDARD / ADJUSTABLE SHELF

01 CUSTOM WIDTH

Made-to-order sizing aligns the utility cabinet with adjacent modules.

02 REAR FINISHING PANEL

Included as standard at no additional charge.

03 ADJUSTABLE SHELF

Pre-set mounting holes allow practical shelf adjustment.

MODULE / ZV-07D / RETAIL PRICE

US\$364**DOUBLE-DOOR UTILITY STORAGE**

Custom width aligns flush with adjacent modules.

MADE TO ORDER / REAR PANEL STANDARD / ADJUSTABLE SHELF

**01 CUSTOM WIDTH**

Made-to-order sizing aligns the utility cabinet with adjacent modules.

**02 REAR FINISHING PANEL**

Included as standard at no additional charge.

**03 ADJUSTABLE SHELF**

Pre-set mounting holes allow practical shelf adjustment.

MODULE / ZV8 / RETAIL PRICE

US\$825

GAS PIZZA OVEN MODULE

An arched pizza oven and double-door cabinet come together in one cooking station.

ARCHED OVEN / TWIN CONTROLS / ENCLOSED CABINET

01 ARCHED OVEN

Twin wooden handles and a central thermometer frame the oven door.

02 TWO FRONT CONTROLS

Two round controls sit on the fascia below the oven door.

03 DOUBLE-DOOR BASE

An enclosed double-door cabinet completes the cooking station.

MODULE / ZV9 / RETAIL PRICE

US\$463**L-SHAPED CORNER MODULE**

A compact corner module turns the VERA working line through a right angle.

L-SHAPED PLAN / TWO DOOR FACES / INTEGRATED GRIP

**01 L-SHAPED LAYOUT**

The continuous top follows the cabinet around the inner corner.

02 TWO DOOR FACES

Two inward-facing doors meet on perpendicular cabinet planes.

03 INTEGRATED GRIP

Recessed top-edge grips keep the door faces clean and continuous.

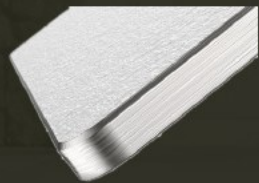

WORKTOP / PRICE STATUS

VERA WORKTOP

6 MM SOLID STAINLESS STEEL WORKTOP

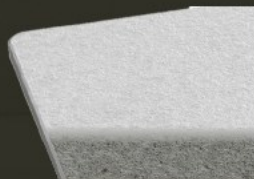

6 mm solid stainless steel provides exceptional rigidity.

INCLUDED IN MODULE PRICE

01 SOLID MATERIAL FEEL

The 6 mm section provides weight, rigidity and a substantial touch.

02 TIMELESS FINISH

Embossed surface treatment gives steel a refined stone character.

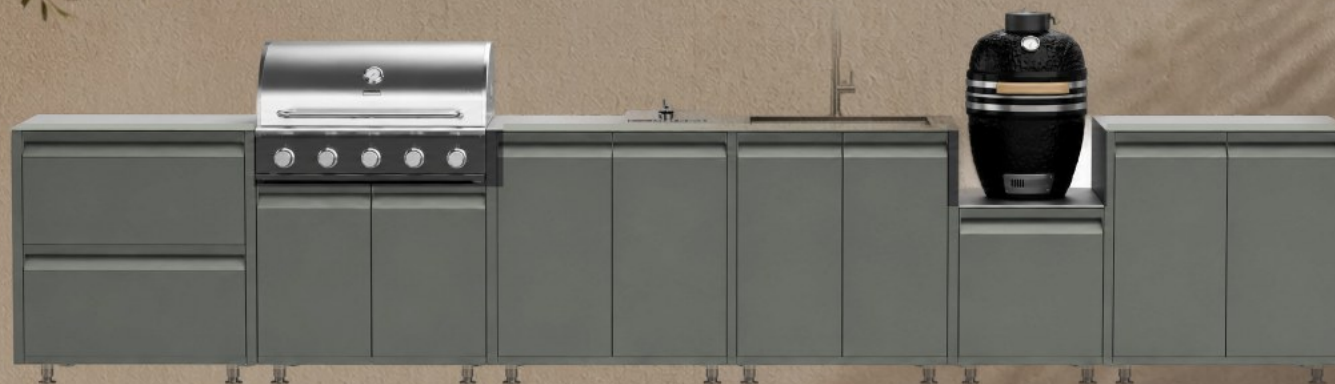

03 STABLE CONSTRUCTION

Solid construction resists warping, sagging and vibration.

ONE SYSTEM. FOUR SCALES.

The cabinet language expands from a compact three-module line to the complete seven-module composition.

ALL PRICES INCLUDE THE REFRIGERATOR
