Standard width: 600 mm

Crackle finish

Solid worktop / Separate upstand

Solid worktop / Separate upstand

BTM15 / 5 mm

BTM16 / 6 mm

BTM17 / 8 mm

BTM18 / 10 mm

Rock-textured finish

Solid worktop / Separate upstand

Solid worktop / Separate upstand

BTM19 / 5 mm

BTM20 / 6 mm

BTM21 / 8 mm

BTM22 / 10 mm

Dimensions & Fabrication

Width-based Pricing

Actual width / mm	Pricing basis
Below 320	600 mm base rate × 0.7
320–600	600 mm base rate
600–720	600 mm base rate × 1.2
Above 720	Base rate × actual width / 600

Fabrication & Additional Charges

Item	Application / Notes
Separate upstand	Upstand thickness: 5 mm for solid; 18 mm for filled worktops
45° bevelled edge	For solid worktops
Sink welding	For solid and filled worktops
Extra-length charge	Charged per piece over 4 m

Upstand pricing: up to 50; wider sizes calculated from the worktop rate.

Minimum CNY 30 per piece. Confirm the measurement basis and rates in the quotation.

Unit prices to be quoted after configuration is confirmed.

BL4.0 Series

Nano grey / PVD matt black, both with stone texture · 304 stainless steel
